

## 9<sup>th</sup> FRIENDS OF FRIENDS MEETING

---

October 1<sup>st</sup>, 2018

### FIRST ANNOUNCEMENT

We are pleased to announce the next edition of the Friends of Friends Meeting to be held in the Astronomical Observatory of Córdoba (Argentina) from April 1<sup>st</sup> to 5<sup>th</sup> of 2019.

The FoF Meeting is a yearly international gathering jointly organized by the Institute of Theoretical and Experimental Astronomy (IATE, <http://iate.oac.uncor.edu>) and the Astronomical Observatory of Córdoba (OAC, <http://oac.unc.edu.ar>). It aims to enhance interactions between members of the local and international communities and to promote the creation of new collaboration networks in a friendly atmosphere.

In addition to talks by invited speakers, participants will have the opportunity to present their work through oral and poster contributions.

Please, for further information, registration form and abstract submission visit the meeting webpage (<http://fof.oac.uncor.edu/>).

We would be happy if you could share this information with your colleagues and institute.
