9th FRIENDS OF FRIENDS MEETING

December 13th, 2018

THIRD ANNOUNCEMENT

Dear colleagues,

We would like to remind you that the 9th Friends of Friends Meeting will be held in the Astronomical Observatory of Córdoba, Argentina, from 1st to 5th April 2019.

Due to the increased interest and several requests received from participants, we decided to extend the deadline for the registration until February 1st, 2019 through the webpage of the meeting (<http://fof.oac.uncor.edu/>). The abstract submission will remain open until February 15th, 2019.

We also take the opportunity to inform you that since April 2nd is a national holiday, we propose an informal activity visiting the facilities of the astrophysical station (Estación Astrofísica de Bosque Alegre, EABA). The aim of this tour is to share an outstanding part of the Argentinian astronomical history and to encourage interaction among participants in a relaxed atmosphere immerse in the beautiful landscapes of the hills of Córdoba. You can register and find more details about this activity in the following form <https://goo.gl/forms/QMCJ5RuTZP1zUe6j1>.

We would be happy if you could share this information with your colleagues and institute.
