

Dear participants

After thoughtful deliberations, the SOC and LOC have made the difficult but necessary decision to cancel FoF2020. We know how much FoF means to our local community, and we did not make this decision in haste. The health and safety of our attendees, staff and our communities are our top priority.

LOC and SOC members have been closely monitoring the spread of COVID-19 (coronavirus disease). Based on the guidance from public health officials, the travel bans implemented by different countries and the indefinite maintenance of the preventive and obligatory social isolation declared in Argentina became clear to us that canceling was the right course of action.

Despite the cancellation of the meeting, we are pleased to inform you that the next FoF meeting in April 2021 will be held in accordance with current regulations to ensure public health.

We thank you for understanding this difficult decision.

Sincerely,

The Local Organizing Committee of the X FoF meeting
