

8th FRIENDS OF FRIENDS MEETING

FOURTH ANNOUNCEMENT

Dear participants,

The Friends of Friends Meeting is approaching and we would like to share a few announcements:

During the four days of the event a free lunch will be provided, with a healthy food option. If you have special dietary requests due to diet-related diseases or health issues please let us know in advance.

We are managing to arrange for a cheap accommodation for students (in the Council Sport Center located at [Roma 155](#)). If you are interested in this accommodation please let us know via email by 16th February. Also for those looking to find accommodation elsewhere, [Tango Hostel](#) is another affordable option offering a 15% discount for FoF participants (mentioning the FoF Meeting). More information can be found in the [web page of the Meeting](#).

There are limited financial grants available (to assist towards the cost of attending the event). Please let us know if you would like to apply for a grant. Priority will be given to students who are presenting material and members of the [Asociación Argentina de Astronomía](#).

Finally, we are organizing a social event on Thursday night. More information on this will be provided at a later date.

For any questions please do not hesitate to contact us.

Best regards,
LOC - FoF2018
