

FOF2020 - SECOND ANNOUNCEMENT

Dear colleagues,

We would like to remind you that the 10th Friends of Friends Meeting will be held in the Astronomical Observatory of Córdoba, Argentina, from March 30th to April 3rd of 2020.

Due to the increased interest and several requests received from participants, we decided to extend the deadline for the registration and abstract submission until **March 6th, 2020**. Registration and abstract submission can be found at:

<http://fof.oac.uncor.edu/>

We also take the opportunity to inform you that since April 2nd is a national holiday, we propose two informal and cultural activities to make the most of the day. In the morning, we will be going to the National University of Córdoba historical museum. There we will learn about the history of UNC from its origin in the early XVII century up to the present days. In the afternoon, we will be visiting the facilities of the astrophysical station (Estación Astrofísica de Bosque Alegre, EABA). The aim of this tour is to share an outstanding part of the Argentinian astronomical history and to encourage interaction among participants in a relaxed atmosphere immerse in the beautiful landscapes of the hills of Córdoba.

Both activities are open and free of charge to all registered participants of the meeting.

You can register and find more details about this activity in the following form:

We would appreciate if you could share this information with your colleagues and home institute.

Best regards,

LOC FoF Meeting 2020.
